l

Major fire broke out at Patil Estate slum in Shivajinagar on Wednesday afternoon. As many as 40 fire tenders were rushed at the spot to douse the fire. Even after three hours, the fire could not be completely brought under control. The cause of fire could not be ascertained, though it spread due to LPG gas cylinder explosions.

Thousands of houses came crumbling down as the fire spread from one crammed lane space to another. According to fire brigade officials, the fire first broke out in lane number 3 of the slum area and then spread to other parts. Officials said that there were no casualties. Traffic on the Wakdewadi bridge heading from Khadki towards Pune railway station was stopped and diverted back to Khadki as fire tenders were parked on the bridge.

Statement: The fire spread due to the explosion of LPG gas cylinder.

Choose the appropriate one from the following options

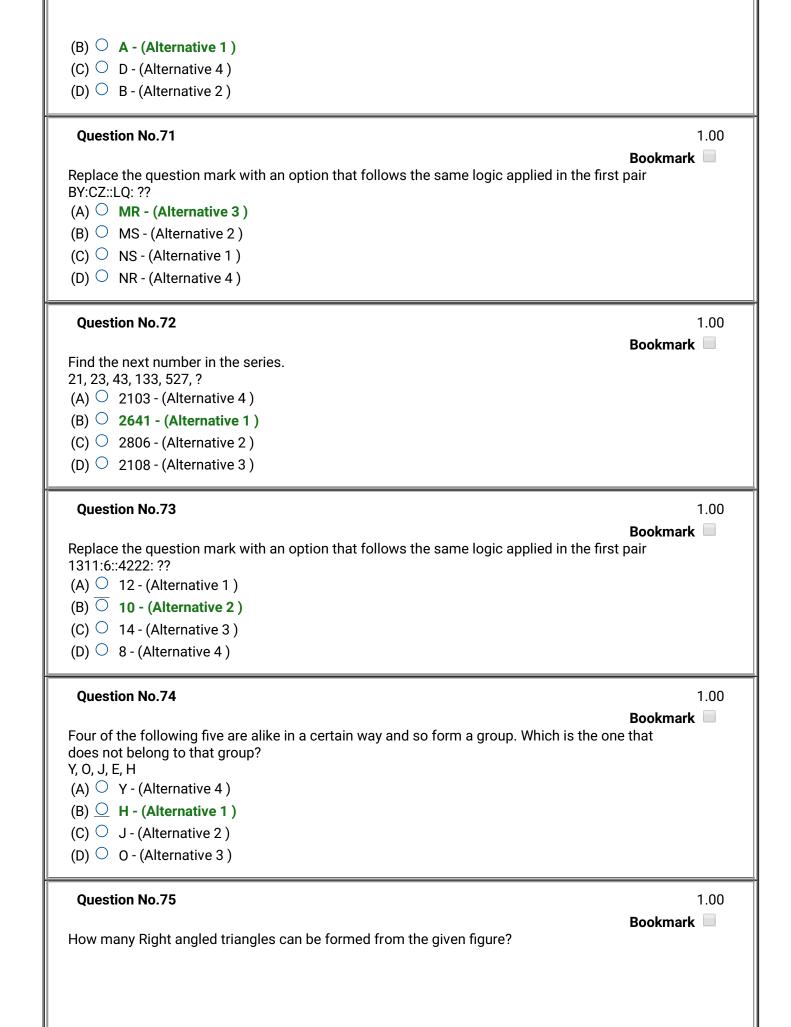

A -The statement is definitely true.

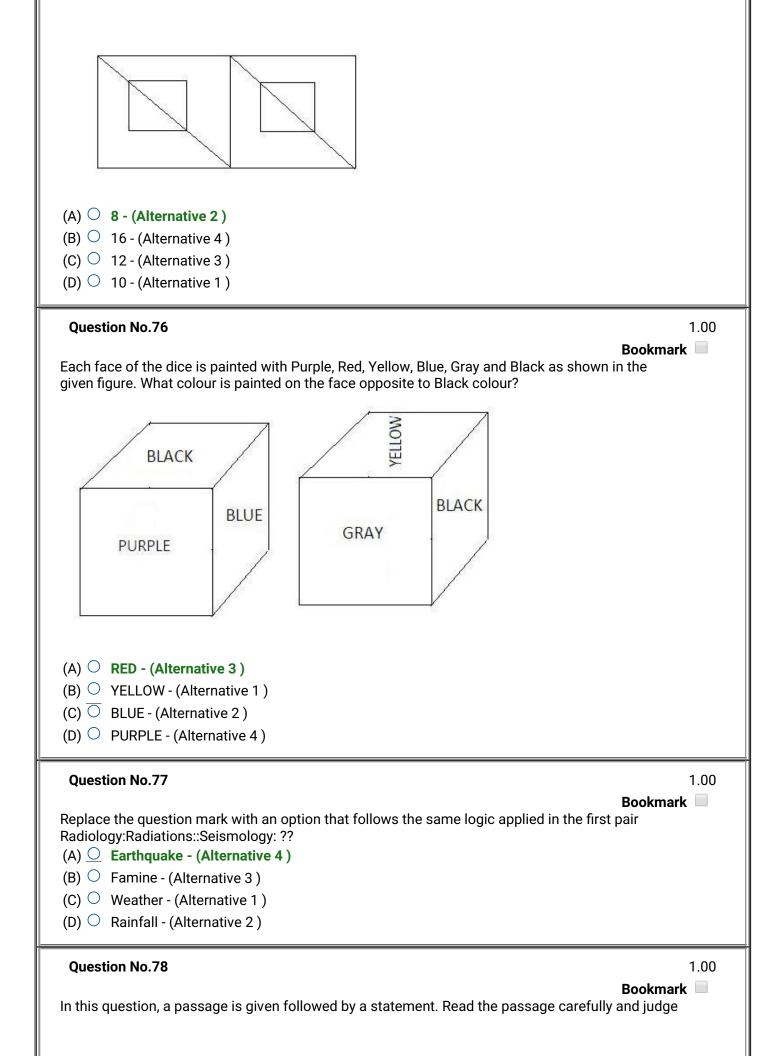

B -The statement is probably true.

C -The statement is cannot be determined.

D -The statement is definitely false.

(A) \bigcirc C - (Alternative 3)

the statement based on the given passage.

Major fire broke out at Patil Estate slum in Shivajinagar on Wednesday afternoon. As many as 40 fire tenders were rushed at the spot to douse the fire. Even after three hours, the fire could not be completely brought under control. The cause of fire could not be ascertained, though it spread due to LPG gas cylinder explosions.
